Camau is a fully funded, bespoke Work Welsh scheme for the Early Years, Childcare and Play sector in Wales. Camau uses an online, self-study learning model allowing learners to access training in the most convenient place for them and at the most convenient time.

Why?

I enrolled onto the CAMAU course after hearing about it during our meetings for the Welsh Promise and decided it would be a good idea to refresh my memory on the Welsh language and hopefully learn some new things along the way. I also wanted to improve my vocabulary and become more confident when using the Welsh language in day to day life.

What did you think of the course?

I would highly recommend the CAMAU courses. They are extremely informative and have a wide variety of topics to learn. I enjoyed the parts where we were able to listen and then repeat to ensure we have the correct pronunciation with certain words which has helped me gain lots of confidence.

Impact

I have implemented the skills I have learnt/become more confident on by answering the phone in Welsh. I have introduced many bilingual signs throughout the setting and on toy boxes etc. I have been using lots of the Welsh language throughout the sessions which is also helping other staff and children improve on their Welsh skills too.

Cynllun Cymraeg Gwaith pwrpasol yw Camau, sydd wedi'i ariannu'n llawn ar gyfer y sector Blynyddoedd Cynnar, Gofal Plant a Chwarae. Mae Camau'n defnyddio model hunan-astudio, sy'n rhoi mynedfa i ddysgwyr at hyfforddiant yn y lle ac ar yr amser mwyaf cyfleus iddyn nhw.

Pam?

Cofrestrais ar gwrs CAMAU ar ôl clywed amdano yn ein cyfarfodydd ar gyfer yr Addewid Cymreig a phenderfynais y byddai'n syniad da adnewyddu fy nghof yn y Gymraeg, ac, wrth wneud hynny, dysgu pethau newydd ar hyd y ffordd. Roeddwn i hefyd eisiau ehangu fy ngeirfa a magu mwy o hyder wrth ddefnyddio'r Gymraeg o ddydd i ddydd.

Beth oeddech chi'n ei feddwl o'r cwrs?

Byddwn yn argymhell cyrsiau CAMAU yn gryf. Maent yn eithriadol o addysgiadol, gyda dewis eang o bynciau diddorol i'w dysgu. Mwynheais yn arbennig y rhannau lle'r oedd modd gwrandao ac wedyn ailadrodd er mwyn sicrhau bod gennym ynganiad cywir gyda geiriau penodol, mae hyn wedi fy helpu i feithrin llawer o hyder.

Effaith

Rwyf wedi rhoi'r sgiliau rwyf wedi'u dysgu a'r hyder rwyf wedi'i feithrin ar waith drwy ateb y ffôn yn Gymraeg. Rwyf wedi rhoi llawer o arwyddion dwyieithog yn y lleoliad gan gynnwys bocsys teganau ac ati. Mae defnyddio'r Gymraeg trwy gydol y sesiynau wedi helpu staff eraill a phlant i wella eu sgiliau Cymraeg hefyd.
