

Little Inspirations – Aman (interview with manager)

Why did you decide to enroll in Camau?

One of our developmental targets as an organisation was to embed Welsh culture into everything we do here. So, we've been working to encourage all staff to use more incidental Welsh and bring the Welsh culture to life in the club's day-to-day running. All staff have been encouraged and are supposed to enrol and complete entry level one on the Camau course.

We've asked the parents if they would prefer their communications and feedback in either English or Welsh. We are very fortunate to have a Welsh speaker on our team, which makes it easier for us to incorporate as much Welsh as possible.

Would you recommend the Camau play course and why?

It is absolutely fantastic! The girls have learnt so much by doing the course. It was very easy to navigate, which is very important to us, and they were able to complete the modules around all their other jobs.

How have you, as a setting, benefited from staff completing the Camau course?

There is much more Welsh being used verbally, as well as in the Welsh language promises; we've also developed the visuals.

Have you implemented the Welsh skills you've learnt through Camau?

Both staff and children have really enjoyed the Welsh Wednesday activities, and the children returning from school have taken a real liking to Welsh singing, teaching us the correct words. The parents on the family app are commenting on our use of Welsh and are greeting us with 'bore da' now and 'hwyl fawr'.

What are the benefits of being a self-study course?

The girls have been able to study at their own pace; some needed more time than others. They have been able to take as much time as they wanted, some made notes and some didn't have to, and they can keep the downloaded materials at the end of every unit.

Are staff using more Welsh in the setting?

Yes, 100% the girls' confidence has rocketed. It's been lovely to see and very helpful to have had this opportunity.

What impact has the Camau course had on the children within your setting?

The parents have provided feedback that the children enjoyed seeing the staff singing on the family app and have encouraged using Welsh at home, inspired by the confidence the staff have given them.

How important is it for settings to increase their use of Welsh?

From a young age, children have picked up a lot due to the increased use of Welsh. We visit the shop, and the local community greets us in Welsh, and we want it to be embedded in everything we do here.

*"I enrolled in this course because of my job and because I wanted to gain more knowledge of the Welsh language.
I would recommend this course. I have implemented the Welsh language throughout my day-to-day life, and I have better knowledge of how to speak to the children in my care using the Welsh language/ phrases I have learnt throughout the course.
I would be very interested in continuing my journey to entry 2 to extend my knowledge even further. "*

- Emily

"We enrolled on Camau at work to increase our knowledge and understanding of everyday Welsh. The course was beneficial. I am beginning to use the Welsh I've learned in everyday situations, and we are happy to do the part 2 and 3 courses"

Why did u decide to enrol on Camau? "To support my job role"

Would you recommend the Camau play course and why? "Yes, because it's a good way of learning Welsh".

Have you implemented the Welsh skills you've learnt through Camau? "Yes I have"

Would you be interested in continuing your journey by enrolling on the Entry Part 2 and 3 courses to complete the full Entry to Welsh. Both parts follow the same structure as Entry Part 1 and again consists of 10 units each? "Yes, I would love too!"

Little Inspirations – Aman (Cyfweliad â'r rheolwr)

Pam ddewisoch chi i gofrestru ar gwrs Camau?

Un o'n targedau datblygiadol fel sefydliad oedd ymgorffori diwylliant Cymru ym mhopeth a wnawn. O ganlyniad, rydym wedi bod yn gweithio'n weithredol i annog pob aelod o staff i ddefnyddio mwy o Gymraeg yn anffurfiol ac i ddod â diwylliant Cymru yn fyw yng ngwaith y clwb pob dydd. Mae'r holl staff wedi cael eu hannog, ac mae disgwyl iddynt gofrestru a chwblhau'r cwrs Camau Lefel Mynediad 1.

Rydym wedi gofyn i rieni a fyddai'n well ganddynt gael eu cyfathrebiadau a'u hadborth yn Saesneg neu drwy'r Gymraeg. Rydym yn ffodus iawn i gael siaradwr Cymraeg ar ein tîm, sy'n ei gwneud hi'n haws i ni gynnwys cymaint â phosibl o Gymraeg.

A fydddech chi'n argymhell y cwrs Camau Gwaith Chwarae a pham bydddech chi'n ei argymhell?

Mae'r cwrs yn hollol ffantastig! Mae'r genod wedi dysgu cymaint wrth fod ar y cwrs. Roedd yn hawdd iawn i'w llywio, mae hyn yn bwysig iawn i ni, ac roedden nhw'n gallu cwblhau'r modiwlau o'u gwmpas eu gwaith.

Sut ydych chi, fel lleoliad, wedi manteisio ar staff yn cwblhau'r cwrs Camau?

Mae llawer mwy o Gymraeg yn cael ei defnyddio ar lafar, yn ogystal ag yn yr Addewid Cymraeg; rydym hefyd wedi datblygu delweddau.

Ydych chi wedi rhoi'r sgiliau Cymraeg rydych chi wedi'u dysgu drwy Camau ar waith?

Mae'r staff a'r plant wedi mwynhau'r gweithgareddau Cymraeg ddydd Mercher yn fawr iawn, ac mae'r plant sy'n dychwelyd o'r ysgol wedi dangos hoffter mawr at ganu Cymraeg, gan ddysgu'r geiriau cywir i ni. Mae'r rhieni ar yr ap teuluol yn gwneud sylwadau ar ein defnydd o'r Gymraeg ac yn ein cyfarch bellach gyda 'bore da' a 'hwyl fawr'.

Beth yw manteision cwrs hunan-astudio?

Mae'r genod wedi gallu astudio yn ôl eu hargaeledd ac roedd angen mwy o amser ar rai nag eraill. Maen nhw wedi gallu cymryd cymaint a amser ag yr oeddent eisiau, ysgrifennodd rhai nodiadau ac nid oedd rhaid i eraill ysgrifennu dim, a gallant gadw'r deunyddiau a lawrlwythwyd ar ddiwedd pob uned.

A yw staff yn defnyddio mwy o Gymraeg yn y lleoliad?

Ydy, 100% mae hyder y genod wedi madarchu ac mae hyn wedi bod yn fendigedig i'w gweld. Mae cael y cyfle hwn wedi bod yn ddefnyddiol iawn.

Pa effaith mae cwrs Camau wedi'i chael ar y plant yn eich lleoliad?

Mae'r rhieni wedi rhoi adborth bod y plant wedi mwynhau gweld y staff yn canu ar yr ap teulu, ac wedi annog defnyddio'r Gymraeg gartref-ohwerwydd e bod nhw wedi'u hysbrydoli gan yr hyder mae'r staff wedi'i roi iddynt.

Pa mor bwysig yw hi i leoliadau gynyddu eu defnydd o'r Gymraeg?

O oedran ifanc, mae plant wedi dysgu llawer oherwydd y defnydd cynyddol o'r Gymraeg. Rydym yn mynd i'r siop, ac mae'r gymuned leol yn ein cyfarch yn y Gymraeg, ac rydym eisiau iddo gael ei blannu ym mhopeth a wnawn yma.

"Gofrestrais ar y cwrs hwn oherwydd fy rôl, a hefyd oherwydd fy mod i eisiau dod i wybod mwy am yr iaith Gymraeg.

Byddwn i'n argymhell y cwrs hwn. Rydw i wedi defnyddio'r iaith Gymraeg drwy gydol fy mywyd bob dydd, ac mae gen i well gwybodaeth am sut i siarad â'r plant yn fy ngofal gan ddefnyddio'r iaith/ymadroddion Cymraeg rydw i wedi'u dysgu drwy gwblhau'r cwrs. Byddwn i'n awyddus iawn i barhau â'm taith a mynd ymlaen i astudio ar y lefel mynediad 2 er mwyn gwella fy ngwybodaeth ymhellach fyth."

- Emily

"Wnaethon ni gofrestru ar Camau yn y gwaith i gynyddu ein gwybodaeth a'n dealltwriaeth o Gymraeg bob dydd. Roedd y cwrs yn fuddiol. Rydw i'n dechrau defnyddio'r Gymraeg rydw i wedi'i dysgu mewn sefyllfaoedd bob dydd, ac rydyn ni'n hapus i astudio ar gyfer rhan 2 a 3."

-Clare

"Cofrestrais ar y cwrs drwy waith i gynyddu fy ngwybodaeth o'r Gymraeg. Roedd yn ddefnyddiol iawn i mi, a byddaf yn dechrau defnyddio mwy o'r Gymraeg yn fy swydd o ddydd i ddydd"

-Mandy

"Pam wnaethoch chi benderfynu cofrestru ar Camau? "I gefnogi fy rôl swydd"

A fyddech chi'n argymhell cwrs chwarae Camau a pham? "Ydw, oherwydd ei fod yn ffordd dda o ddysgu Cymraeg".

A ydych chi wedi rhoi'r sgiliau Cymraeg rydych chi wedi'u dysgu ar waith trwy Camau? "Ydw, rydw i wedi"

A fyddech chi â diddordeb mewn parhau â'ch taith trwy gofrestru ar gyrsiau Mynediad Rhan 2 a 3 i gwblhau'r Mynediad i'r Gymraeg llawn. Mae'r ddwy ran yn dilyn yr un strwythur â Rhan Mynediad 1 ac unwaith eto maen nhw'n cynnwys 10 uned yr un? "Ydw, byddwn i wrth fy modd!"
