Apprenticeships work for Wales, now and for the future.

Apprenticeships in Playwork

Apprenticeships help to build skills, strengthen communities, and create real opportunities for people of all ages to earn, learn, and progress. By developing skilled and motivated staff, apprenticeships support long-term growth across Wales. They are helping to build a stronger, more skilled Wales by supporting the Playwork sector, boosting productivity, and creating opportunities close to home. This National Apprenticeship Week, we celebrate the value apprentices bring to the Playwork sector.

Recognising Growth Through Apprenticeship

"Several Level 2 learners started with limited understanding of playwork theory, but over the course of their apprenticeship, they have shown remarkable growth. They now reflect confidently on play sessions, understand children's development needs and implement playwork principles effectively. Their progress is a real testament to the value of apprenticeships in building skills and employability."

Supporting Children's Rights

"A Level 3 learner noticed that some children were struggling to choose activities during free play. They suggested a simple suggestion box that allowed children to share ideas for activities. This encouraged children's voice and choice, supporting their rights to participate in decisions affecting them. The approach has been adopted regularly by the setting which aligns with the **UNCRC ARTICLE 12** —the right of children to have a say in matters that affect them."

Celebrating National Apprenticeship Week – 9 to 15 February

National Apprenticeship Week is an opportunity to recognise the vital role apprenticeships play in Wales. From supporting young people into work to helping adults retrain and progress, apprenticeships provide flexible, high-quality routes into skilled employment.

Across Wales, apprentices are earning while they learn, gaining real workplace experience and qualifications that support long-term careers. At the same time, employers benefit from developing talent that meets the needs of their organisation and their local area.

Join us this February as we celebrate the impact of apprenticeships and the people who make them a success.

Mae prentisiaethau'n gweithio i Gymru, nawr ac ar gyfer y dyfodol.

Prentisiaethau mewn Gwaith Chwarae

Mae prentisiaethau'n helpu i feithrin sgiliau, cryfhau cymunedau, a chreu cyfleoedd go iawn i bobl o bob oedran i ennill cyflog, dysgu a datblygu. Wrth ddatblygu sgiliau ac ysgogi staff, mae prentisiaethau'n cefnogi twf hirdymor ar hyd a lled Cymru. Maent yn helpu i greu Cymru fwy cryf sydd â mwy o sgiliau, gan gefnogi'r sector Gwaith Chwarae, gan roi hwb i gynhyrchiant a chreu cyfleoedd sy'n agos at y cartref. Yn ystod yr Wythnos Prentisiaethau Cenedlaethol hon, rydym yn dathlu'r gwerth y mae prentisiaethau yn ei rhoi i'r sector Gwaith Chwarae.

Cydnabod Twf Trwy Brentisiaethau

"Dechreuodd sawl dysgwr Lefel 2 ar eu cymhwyster gyda dealltwriaeth gyfyngedig o ddamcaniaeth gwaith chwarae, ond dros gyfnod eu prentisiaeth maent wedi dangos twf rhyfeddol. Maent yn myfyrio'n hyderus nawr ar sesiynau chwarae, yn deall anghenion datblygiadol y plant, ac yn gweithredu egwyddorion gwaith chwarae yn effeithiol. Mae eu datblygiad yn enghraifft glir o werth prentisiaethau wrth feithrin sgiliau a chyflogadwyedd."

Cefnogi Hawliau Plant

Sylweddolodd dysgwr Lefel 3 bod rhai plant yn cael trafferth dewis gweithgareddau yn ystod chwarae'n rhydd. Awgrymodd ddefnyddio bocs syml o awgrymiadau i ganiatáu i blant rannu syniadau ar gyfer gweithgareddau. Anogodd hyn llais a dewis i'r plant, gan gefnogi eu hawl i gymryd rhan mewn penderfyniadau a oedd yn effeithio arnynt. Mae'r dull wedi'i roi ar waith yn rheolaidd gan y lleoliad, ac mae'n cyd-fynd ag **ERTHYGL 12 O'R CCUHP** —sef, hawl y plentyn i ddweud ei dweud ar faterion sy'n effeithio arnynt.
