

Holiday Club Childcare Expansion

Ladybirds at Llanvihangel Ltd, based in Abergavenny, began working with Clybiau Plant Cymru Kids' Clubs in January 2026 after expressing an interest in expanding their childcare provision to include a holiday club.

The setting approached Clybiau Plant Cymru Kids' Clubs for guidance and support to understand the requirements and steps involved in developing their new provision.

Ladybirds at Llanvihangel explained "We ran a holiday club for the first time this Summer and it was an absolute blast.

The children have absolutely loved the variety of activities, adventures and opportunities to play, explore and have fun together. We've had some wonderful feedback from parents too, who have commented on how happy and excited their children have been to come each day.

It has been a really special 3 weeks, and we're so proud of the memories we've created with the children. We plan on extending it next Summer and looking to provide holiday clubs during the Easter break too!

We had bike days, music days, den building, water fights, horse riding, dog displays, woodwork, baking and endless open ended play opportunities.

Thank you to Paige Greening at Clybiau for supporting us to make it such a success!

Initial Support and Action Planning

During the initial visit, the Childcare Business Development Officer discussed the setting's plans and developed an individualised action plan to support their expansion. The action plan provided guidance around Care Inspectorate Wales (CIW) requirements, policies and procedures, staffing, safeguarding and quality childcare provision, giving the setting a clear pathway to move forward.

Through this expansion

- Children can access an Out of School Childcare Club during holidays within their local community.
- The Club also puts themselves in a great position to support Childcare expansion plans through Welsh Government Funded Childcare.

Other areas of support provided through:

Safeguarding Health Check, supporting the Club management team to identify areas of good practice and further development.

Support for staff to access Playwork qualifications which were required for the development of the Holiday Childcare Club.

Mae'r plant wedi caru'r amrywiaeth o weithgareddau, anturiaethau a chyfleoedd i chwarae, archwilio a chael hwyl gyda'i gilydd yn llwyr. Rydym hefyd wedi cael adborth gwych gan rieni, sydd wedi dweud pa mor hapus a chyffrous oedd eu plant i ddod i mewn bob dydd.

Mae wedi bod yn dair wythnos hynod arbennig, ac rydym mor falch o'r atgofion yr ydym wedi'u creu gyda'r plant. Rydym yn cynllunio ei ehangu erbyn yr haf nesaf, ac rydym yn edrych ymlaen at ddarparu clybiau gwyliau yn ystod gwyliau'r Pasg hefyd!

Rydym wedi cael diwrnodau beicio, diwrnodau cerddoriaeth, adeiladu cuddfannau, brwydrau dŵr, reidio ceffylau, arddangosfeydd cŵn, gwaith pren, pobi a chyfleoedd chwarae agored.
